

RADS Newsletter, Fall 2016

Slate of officers to be elected:
Paulette Miller, President
Connie George Vice President
Leo Rutledge Treasurer
Julia Perkinson Secretary

THE NATIONAL IS COMING !!!!

RADS Web Site <http://myrads.com>

A meeting was held on Saturday August 20th at the home of Elle Jerrell at the Plant Swap. We had 9 people in attendance. The meeting began with a slate of officers for election. The officers for election are:

Paulette Miller, President
Connie George Vice President
Leo Rutledge Treasurer
Julia Perkinson Secretary

If you are interested in running for an office please notify Connie George who is the nominating committee chairperson.

As the meeting went on we also discussed briefly the "basket" for the next National hosted by Tide Water in 2017. Not much was mentioned on that as Judy Durant had questions about the treasurer's report which Paulette could not answer adequately as the treasurer was not there, but did the best she could. Judy wanted to know about the van for the regional and how much it cost. She also wanted to know about the computer and printer that the club owns and who can use it. The answer is any club member can use this equipment knowing that if anything happens to the equipment whoever is using it is liable for fixing or replacing it. As the meeting went on there were several more questions in that vein. Some of the attendants got upset and it got a little heated. We then adjourned the meeting. The next meeting will be September 3rd at Strange's Florist and we will have an election of officers.

Everyone left Serenity Gardens around 2 p.m. estimated.

Respectfully submitted by:

Lee Payne!

Norfolk is the place to be next summer.
And we as a club have a chance to win
\$500!!!

All Region 3 clubs are being asked to design and donate baskets to be auctioned off at the National next summer and the most creative basket will be awarded \$500! So let's all put our thinking caps on and get to designing that winning basket!

And make plans to be at the National in Norfolk!!

.....
**Next meeting at Strange's Florist on
Sept. 3rd There will be Plants being
Auctioned off!!!**
