President's Message

It's been a very long month. Larry and I both ended up in the hospital; me having a bout of colitis and with Larry having a mild heart attack. We are both fine now and excited to continue with this upcoming season.

Spring is finally here and we are beyond excited to explore this season with all of you. I'm putting together plans for a lot of exciting activities for this year. Such as trips to a variety of places, picnics at Rex and Rachel Adams, plant swaps down at Ellie Jerrell's who is now reopening Serenity Gardens. I'm hoping to take a group to Longwood Gardens.

Enjoy the season!
